

Your University of Maryland identification card can be more than just an ID. When you have a Terrapin Express account, your UMD ID card is a secure way to make purchases all over campus. Terrapin Express is accepted everywhere that takes cash or credit cards—and some places that don't.

### TERRAPIN EXPRESS IS EASY

- Open an account, and then make purchases with your UMD ID Card at participating locations.
- The purchase amount is deducted from your balance (which can be viewed online 24/7).
- Terrapin Express funds transfer from one academic year to the next.
- As an added bonus, purchases are tax exempt when shopping at Dining Services locations.

### TERRAPIN EXPRESS IS SECURE

- Your UMD ID card has your photo on it, and you must be present to use your Terrapin Express account.
- If you misplace your UMD ID Card, report it online and we will freeze your account immediately. Your account remains frozen until you find or replace your card.
- You must go online and report your card missing in order to limit your responsibility for purchases made with your card.

### TERRAPIN EXPRESS ONLINE

- Go to [terpexpress.umd.edu](http://terpexpress.umd.edu), and log in using your UMD login or guest access.
- Use [testudo.umd.edu](http://testudo.umd.edu) to add funds or check your balance 24/7. During regular business hours, you can call 301-314-8068.

### TERRAPIN EXPRESS IS REQUIRED HERE

- Terrapin Express is the only way to pay at campus computer labs and libraries to print documents or make copies.
